Ref: 06-F-1532

Mr. David Barstow
42 Stephen Street
Glen Ridge, NJ 07028

Dear Mr. Barstow:

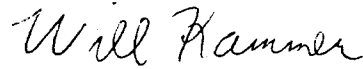

Enclosed is an interim release of material in response to your April 28, 2006, Freedom of Information Act request, as modified by your letter dated February 13, 2007.

The Office of the Joint Staff has provided the enclosed documents as responsive to your request. These 328 pages of Joint Staff Public Affairs e-mails have been 'Bates Stamped' from 3827 to 4154 to assist you in reviewing this response. This Office continues to process Joint Staff Public Affairs e-mails from the classified server which are responsive to your request, and these will be provided to you upon completion of our review.

Mr. Mark Patrick, an Initial Denial Authority for the Joint Staff, has determined that some of the redacted information is exempt from release because it pertains to internal matters of a relatively trivial nature that do not shed significant light on an agency personnel rule or practice. In this instance, the redacted information consists of non-public Department of Defense (DoD) telephone and room numbers. Additionally, portions of the withheld information are specifically exempted by 10 U.S.C. § 130b, which applies to personally identifiable information of personnel in overseas, sensitive or routinely deployable positions. Other deleted information exempt from release pertains to certain inter- or intra-agency communications protected by the attorney-client privilege. Finally, some information is withheld because release would constitute a clearly unwarranted invasion of the personal privacy of individuals. The redacted information under this exemption consists primarily of home/e-mail addresses, social security numbers and personally identifying information of DoD personnel. It has been DoD policy to withhold lists of names and other personally identifying information of DoD personnel since the President declared a national emergency following the terrorist attacks on the United States in 2001. Consequently, this information is denied pursuant to 5 U.S.C. § 552(b)(2)(low), (b)(3), (b)(5) and (b)(6).

As you requested, we are providing the information to you in hard copy and on the enclosed compact disk.

Sincerely,

A handwritten signature in cursive script that reads "Will Kammer".

Will Kammer
Chief
